I Have...Who Has...

Dolch Words/ Level: 2

How to play the game:

- Distribute the cards randomly to your students.
  Some students may get more than one card.

- Select a student to begin by reading their card aloud.
  (example: I have around. Who has these?)

- The student who has the card with the correct answer to the previous student's
  "Who Has..." question reads their card aloud.
  (example: I have these. Who has write?) And so on.

- Students must listen for their turn and try not to break the chain.

- When the chain circles around to the first student, the game is over.

Suggestions:

- Print out the "I Have, Who Has" flashcards on card stock and laminate them so they will
  last for many years to come.

- Practice the game once with your students so they understand how the game works,
  then see if they can "beat the timer." Set a timer for 2 minutes, 5 minutes,
  or any amount of time you choose.
  Challenge them to finish the game before the timer goes off.
